

## DALLAS ARTIST CHRIS JUDY

Eugenie is at it again. She found this emerging Dallas talent [Chris Judy](#) and wanted to share his work with you. Here's the scoop:

“He cultivates paintings from a passionate side of himself. Originally in the corporate world not long ago (he was a financial adviser with UBS), Judy leapt into a creative realm and has never looked back. His artwork reflects a brighter side of a deeper realm. He accepts commissions for art for the home, office, and elsewhere...Dallas art scene—watch out! Going through his web site is best for getting in touch with him.”
